

BERBEVIS®
BERBERINE PHYTOSOME

KEEP YOUR METABOLISM
BALANCED, NATURALLY

Your natural ally for a healthy metabolism is here. In a recent human study based on multiple endpoints data, with a specific focus on PCOS, Berbevis® showed its ability to be a multi-target food-grade ingredient. It has been proven to help regulate blood profiles such as plasma lipids and glucose levels, thus contributing to metabolic wellbeing. A new custom Phytosome delivery system – specifically designed according to the properties of Berberine – optimizes its bioabsorption. It is well tolerated and safe even for prolonged use. Choose Berbevis® - Berberine Phytosome - for your metabolic balance, one of our time's main global health targets.
