

ANTHOCRAN® PHYTOSOME®

CRANBERRY EXTRACT

SHED NEW LIGHT ON URINARY TRACT HEALTH

NEW CLINICAL EVIDENCE ON UT MANAGEMENT

Anthocran® Phytosome® offers all of cranberries' virtues to 150 million people prone to Urinary Tract Infections (UTIs). New clinical evidence has confirmed it delivers proanthocyanidins and a full spectrum of polyphenols to the body: a valid aid for prolonged wellbeing, keeping at bay common pathogens like *Candida albicans* by leveraging Indena's Phytosome® to optimize cranberry's bioabsorption and function.

All made with strong commitment to sustainability, in a certified ISO 14001 and ISO 45001 plant where CO₂ emissions are reduced, the energy transition is underway, and occupational health and safety are a priority. Try Anthocran® Phytosome®, the natural protector of your urinary tract.

100 YEARS OF BOTANICAL EXCELLENCE
