

BERBEVIS® BERBERINE INDENA PHYTOSOME®

KEEP YOUR METABOLISM BALANCED, NATURALLY

In recent human studies, Berbevis® showed its ability to be a multi-target food-grade ingredient. Proven to help regulate blood profiles such as plasma lipids and glucose levels, it contributes to metabolic and hormonal wellbeing. Indena Phytosome® delivery system – specifically designed according to the properties of Berberine – optimizes its bioabsorption and tolerability. It is made with strong commitment to sustainability, in a certified ISO 14001 and ISO 45001 plant where CO₂ emissions are reduced, the energy transition is underway, and occupational health and safety are a priority. Choose Berbevis®, your natural ally for metabolic balance.
